Form 990, Part VI, Section B, line 11	A copy of the form 990, including all supplemental schedules except schedule B, was provided to every member of the governing body before it was filed. Schedule B was redacted in order to protect donor confidentiality. The form was completed by a committee that included representatives from finance, human resources and communications. This committee prepared all the documentation necessary, the forms were compiled by Gillette's accounting firm. The draft documents were then reviewed by representatives from our Administrative Council. After all internal reviews were complete, the final version was presented to the finance committee and the board of directors for approval.

Form 990, Part VI, Section B, line 12c	Gillette enforces policies on external professional activities. Gillette employees, officers, volunteers, board members, and medical staff members are expected to disclose outside activities that involve potential conflicts of interests. In fact, directors must sign a conflict of interest statement acknowledging any potential conflicts related to Gillette. Gillette requires staff members to discuss potential conflicts with their immediate manager and with the compliance officer. The disclosure includes a written description of the activity, the extent of the staff member's participation, and the possible duration of the relationship. If a conflict exists, the employee must not engage in the activity.

Return Reference	Explanation
Form 990, Part VI, Section B, line 15	Foundation staff members are employed by Gillette. Gillette is the organization that actually pays the compensation and has the process for determining compensation as stated below. At the request of the personnel committee of the Gillette board, an independent consultant provides the committee with survey data and recommendations for Chief Executive Officer (CEO)/President and other executive salary ranges based on Gillette's compensation philosophy, which was developed by the personnel committee and is reviewed regularly. The members of this committee determine the CEO/President's salary and the salary ranges for other executives. The committee oversees the executive incentive plan, approves any incentive plan payouts, and regularly evaluates the benefits provided to executives. The external consultant has provided total compensation data for all executives, and the committee has diligently followed the process for establishing a presumption of reasonableness. In addition to the oversight function of executive total compensation, the personnel committee oversees any payments under any incentive compensation plans and evaluates all transactions with "disqualified persons."
