They respond to patients in a prompt and courteous manner regarding any questions about their bills and provide notification of the availability of financial assistance. All uninsured patients will be provided a standard discount for medically necessary inpatient and outpatient services, including services provided at off-campus outpatient sites. Form 990, Part III, Line 4a Description of Program Service	Briefly describe the corporation's mission. Since it was founded in 1872 by Catholic sisters, SSM Health (SSMH) has existed to meet the health needs of the communities it serves. SSMH is a Catholic, not-for-profit health system serving the comprehensive health needs of communities across the Midwest through one of the largest integrated delivery systems in the nation. With care delivery sites in Illinois, Missouri, Oklahoma, and Wisconsin, SSMH includes 19 acute care hospitals, one children's hospital, more than 60 outpatient care sites, a pharmacy benefit company, an insurance company, two long-term care facilities, comprehensive home care and hospice services, a technology company, and two Accountable Care Organizations. The health system employs more than 31,000 people and is affiliated with more than 8,500 physicians making it one of the largest employers in every community it serves. SSMH is sponsored by SSM Health Ministries, an independent 6-member body comprised of three Franciscan Sisters of Mary and three lay people who collectively hold certain reserved powers over SSMH. In the tradition of its founding sisters, SSMH strives to fulfill its mission by providing exceptional health care to everyone who comes to its hospitals, regardless of their ability to pay. About SSM Health Care of Wisconsin: SSM Health Care of Wisconsin provides health care services at three wholly-owned acute care hospitals, St. Mary's Hospital in Madison, St. Clare Hospital in Baraboo and St. Mary's Janesville Hospital in Janesville, as well as at two nursing homes - St. Mary's Care Center in Madison and St. Clare Meadows in Baraboo. SSM Health Care of Wisconsin, including its three wholly-owned hospitals and two nursing homes, earned Wisconsin's highest recognition of quality business practices in 2013: the Excellence Level of the Wisconsin Forward Award. The honor remains in effect for five years. SSM Health Care of Wisconsin, in partnership with Dean Clinic, also earned recognition as a finalist for OrthoServiceLine.com's Ortho Transformation Award. The award highlighted the Steady Strides Joint Replacement Program which is available at all three acute care hospitals. St. Mary's is a 440-bed tertiary referral hospital offering inpatient and outpatient treatment and diagnostic services in primary care and nearly all specialties. The campus includes an outpatient surgery center and an employee child care center. St. Mary's also operates an off-site Adult Day Health Center, is part-owner of a home health care organization, and is affiliated with the St. Mary's Care Center (skilled nursing facility) on Madison's southwest side. St. Mary's Hospital in partnership with Dean Clinic has chosen to participate in a Medicare Accountable Care Organization Program. St. Mary's Hospital offers a full range of inpatient and outpatient treatment and diagnostic services in primary care and nearly all specialties. St. Mary's also attained an elite status in 2011 when it was designated as a Magnet hospital for the third time in a row. Less than 1% of the nation's 6,000 hospitals have done the same. Magnet hospitals are considered "the gold standard" of nursing. Their emphasis on quality, innovation and collaboration tends to lead to better outcomes, high patient satisfaction and a more stable workforce. St. Clare Hospital offers acute care services as well as a wide range of other services including chemical dependency treatment and hemodialysis. St. Clare also offers cardiac rehabilitation, orthopedics, women's services, and older adult services and senior living. St. Clare Meadows Care Center, an affiliate of St. Clare Hospital, provides a variety of healthcare and living options for the elderly of the greater Baraboo and Sauk County area. The 102-bed Medicare and Medicaid skilled nursing facility providing 24-hour nursing care for temporary rehabilitation care or permanent care basis in an atmosphere that celebrates the needs of the individual. St. Mary's Janesville Hospital operates a 50-bed hospital and an adjacent physicians' office complex. The hospital serves its community through emergency services, inpatient and outpatient services, a sleep lab, radiology, cardiology rehabilitation, and palliative care consulting. Built in 2012, the medical campus provides all private rooms, electronic health records, and a state-of-the-art emergency department. Describe the organization's approach to providing community benefit. SSM Health (SSM) participates in Community Benefit according to our vision, Through our participation in the healing ministry of Jesus Christ, communities, especially those that are economically, physically, and socially marginalized, will experience improved health in mind, body, spirit and environment. In the tradition of our founders, the Franciscan Sisters of Mary, caring for those in greatest need remains our organizational priority. Today our System Board monitors Community Benefit efforts, and views achievement of our vision as a primary responsibility. The purpose of SSM's Community Benefit program is to assess and address community health needs. Making our communities healthier in measurable ways is always the goal. To fulfill this commitment, SSM's Community Benefit is divided into two parts: 1) Community Health Needs Assessment (CHNA), and 2) Community Benefit Inventory for Social Accountability (CBISA). First, CHNA is the assessment and prioritization of community health needs and the adoption and implementation of strategies to address those needs. A CHNA is conducted every three years by each hospital according to the following steps: - Assess and prioritize community health needs. Gather CHNA data from secondary sources, obtain input from stakeholders representing the broad interests of the community through interviews and focus groups, use data to select top health priorities, and complete written CHNA. - Develop, adopt, and implement strategies to address top-health priorities. Establish strategies to address priorities, complete Strategic Implementation Plan, obtain Regional/Divisional Board approval, and integrate strategies into operational plan. - Make CHNA widely available to the public. Publish CHNA and summary document on hospital's website. - Monitor, track, and report progress on top health priorities. Kick-off meeting conducted and updated toolkit distributed, and periodic meetings scheduled to evaluate and monitor progress. Data collected and report made to Regional/ Divisional Board every six months and System Board every year, share findings with community stakeholders, and send results to finance for submission to the Internal Revenue Service (IRS). Next, CBISA is the gathering, collecting, and reporting of all data relating to community benefit activities and programs across the System. A CBISA is conducted every year by each hospital according to the following steps: - Collect and enter data. Kick-off meeting conducted and updated toolkit distributed, new staff complete Lyon web-based course, and periodic meetings scheduled to evaluate and monitor progress. Emails sent reminding staff to submit activities, occurrences entered into Lyon, and reports are produced and shared with leaders. - Finalize and report on prior year. All prior year data entered into Lyon by January 31, and communicate final prior year figures to IRS, System Board, and the community. System Office staff and leaders oversee and monitor SSM's Community Benefit Program, and ensure reporting is in compliance with IRS regulations. In collaboration with community stakeholders and partner organizations, all hospital CHNAs were completed, approved, and integrated into the organization's strategic plan. We continue to monitor and assess the progress of our local efforts in the spirit of caring for others and improving community health. Description of CHNA community benefit programs.
