Part III

Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

☐

1 Briefly describe the organization’s mission

The mission of the Owner-Operator Independent Drivers Association is to serve owner-operators, small fleets and professional truckers, to work for a business climate where truckers are treated equally and fairly, to promote highway safety and responsibility among all highway users, and to promote a better business environment for all truck operators

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? ☐ Yes ☒ No

If "Yes," describe these new services on Schedule O

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No

If "Yes," describe these changes on Schedule O

4 Describe the organization’s program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a	(Code) (Expenses \$ including grants of \$) (Revenue \$)
Lobbying/representation efforts - OOIDA maintains a Washington, DC office and employs government affairs representatives to work full-time in that office. These staff members, as well as various employees at the OOIDA headquarters, work with congressional representatives to ensure the interests of professional truckers are considered in legislative and regulatory forums on a federal and state level. The government affairs staff educates elected officials on all trucking matters.	

4b	(Code) (Expenses \$ including grants of \$) (Revenue \$)
Legal representation - OOIDA further represents the interests of the membership by filing lawsuits against various entities when the rights of truckers have been violated. For example, OOIDA has battled several motor carriers in court over violations of truth in leasing regulations. There is no federal agency to enforce the provisions of the truth in leasing regulations. As such, professional drivers must use the private right of action to enforce these provisions. Because such actions can be very costly for an individual, OOIDA has taken several of these cases on behalf of members. In addition, OOIDA has filed suit against various states and agencies for violations of civil rights and for discriminatory practices and taxes. OOIDA has been successful in recovering settlements for members who have been wronged.
