Part III

Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1

Briefly describe the organization's mission

Represent the renewable biofuels industry in Minnesota which supports 18,000 jobs, collaborate with stakeholders and support education, research and outreach initiatives to further boost the economy, provide fuel choices for consumers, increase energy security and reduce greenhouse gas emissions

2

Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?

Yes

No

If "Yes," describe these new services on Schedule O

3

Did the organization cease conducting, or make significant changes in how it conducts, any program services?

Yes

No

If "Yes," describe these changes on Schedule O

4

Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a

(Code) (Expenses \$ including grants of \$) (Revenue \$)

Added a third salaried staff position and one temporary staff position to fulfill the organizational mission. Full-time staff positions actualized the duties of executive director, project coordinator and communications and education coordinator. Developed educational programs and facilitated efforts to educate target audiences and generated approximately 11.4 million annual ad impressions. The range of educational topics across all organizational media platforms included the legal history of biofuels, statewide opportunities to achieve environmental and energy public policy objectives with renewable biofuels and educational and geospatial tools to enable motorists to find and have greater access to renewable biofuels to thereby control fuel costs, use locally produced renewable biofuel and reduce greenhouse gas emissions.

4b

(Code) (Expenses \$ including grants of \$) (Revenue \$)

The scope of education and outreach projects were further expanded and new ones were added. Extensive research was conducted on dozens of scientific, economic, policy and technical issues related to biofuels. Information requirements for each issue target audience were assessed and appropriate educational materials were prepared. For instance, a new project successfully brought together subject matter experts and state agency officials to learn about the latest regulations and technical issues with respect to E15, fuel storage and dispensing equipment and market development.
