Part I, Line 2	The Foundation distributes funds to Indiana hospitals that have been negatively impacted by the Indiana Medicaid Program. The distributions are intended to make up for any shortfalls, relative to the cost of providing care, in the Medicaid payments received by such hospitals. By reducing the economic burden experienced by certain Indiana hospitals as a result of providing care to Medicaid patients, the Foundation will help ensure access to medical care for those members of the community that might otherwise go without services if financial pressures cause the closure of hospitals in the state of Indiana. The Foundation distributed funds to Indiana Hospitals who requested financial assistance related to the economic burdens experienced as a result of the Indiana Medicaid Program. The Indiana hospitals seeking funds to offset financial hardships resulting from the operations of the Indiana Medicaid program agree, in connection with their request for financial support, to use the funds in furtherance of the exempt purposes of the Foundation and must further agree to retain documentation necessary to demonstrate that use.
