We care about the young people. We support their education. In addition to the scholarship fund we set up in University of MO-Kansas city, we also offered scholarships to the individuals. This year, we also gave a scientific award to an outstanding scientist in University of MD to promote basic research.

We care about the elderly and their quality life. We sponsored many programs, activities for the community senior centers, for assisted living, and for the nursing home patients. Many times, we also delivered food and snacks to the nurse aids as a token of appreciation doing many of the difficult tasks.

Aside from the young people and elderly, we also care about everyone in between. We promote good health and happiness. We support recreation centers, community centers for their health related programs. We support music and art and dance programs. We support local charity organizations, churches, food bank etc among many others.
