Pt IV Sec D Ln 3 The Organization's bank account is used for operating expenses of the Organization, calculation for distributing funds to the Supported Organization (The Church), investing and other uses determined by and under the direction of the Board of Trustees, which is mostly comprised of members of The Church.

Pt IV Sec E Ln 2a The Organization evaluates the Supported Organization (The Church) requests for funds, considering the need and impact on the congregation, the amount of money being requested, and the adherence of the requests to the Organization's exempt purpose—which is to further the religious, educational and ministerial activities of the Church. This year's donation of \$4791 was to update the projection system. The system facilitates and enhances the teaching efforts of the Church's various ministries. All of the Church's requested program activities that complied with the Organization's consideration criteria were completed.

Pt IV Sec E Ln 2b The Supported Organization (The Church) determines its program activity needs, outside of its yearly operations budget, and submits a Fund Request form for each program activity to the Organization. The form details The Church's need for the activity and request for funds; The Church made the determination that the updating of the current projection system was critical in the educational efforts of their ministries and would have engaged in completing these activities apart from the Organization.
