**Form 990-EZ, Part III, Line 28 - Statement of Program Service Accomplishments**

Over 2015, we had 6 girls living in our resident program and we moved 4 of them into a local private school that is able to cater to their lack of education prior to living in our resident program through more intensive classes and after school tutoring. All four of them have been very dedicated to their studies, but we saw a particular improvement in Reidelina. In March, she did not know her alphabet and by the end of the school year, she is able to read everything in sight. Our second eldest, Berian, took part in the school marching band as the only female

drummer. All of these girls successfully progressed to the next grade level. Our mentoring program is in its second year and has expanded to 2 girls soccer teams in partnership with one of the local schools. This allows us to connect with teenage girls 2-3 times a week and be a positive influence in the lives of those not in our resident program. Both teams made it to the championship and have the chance to travel to neighboring towns to play in tournaments, which is an opportunity that girls in this town rarely have. We moved the family into a larger house and successfully operated the home, including utilities, school expenses, food and home security, without incurring debt. One of the churches that we are partners with donated a refrigerator and washing machine over the course of the year. This allowed us to provide a cleaner, healthier environment for our girls to live in. Our oldest resident, Lexi, successfully completed 9th grade, which is the highest education she could receive in Puerto Lempira. We helped transition her into a home in La Ceiba to live with her brother and she is pursuing her high school diploma.
