Related Transactions- Part V, Line 2	Texas Health Resources (THR) is the parent organization in a large healthcare system made up of both wholly owned entities as well as related controlled joint ventures as listed on Schedule R. THR's role is to plan, manage and coordinate the activities of the affiliated healthcare system in order to maximize opportunities to deliver cost effective quality medical care to residents of north central Texas. THR provides direction and oversight to its wholly owned affiliates through centralized services. They also provide oversight for the controlled joint ventures. As an integral part of providing centralized services to the affiliates, THR maintains intercompany receivable/payable accounts, most of which do not fall within the scope of IRC Section 512(b)(13). The range of centralized services provided by THR include information services, managed care contracting, Human resources, revenue cycle, billing and collections, patient access/admissions, legal, tax, compliance, supply chain, quality, business development, insurance, treasury, marketing, general accounting, real estate services, coding, transcription and strategic planning. In addition, THR does daily cash sweeps of all controlled tax exempt entity cash accounts. As a result, THR has numerous daily transactions with controlled tax exempt entities, none of which fall within the scope of IRC Section 512(b)(13). A management fee is charged for the centralized services and reported on Form 990, Part VII, Section B as a professional services fee. Transactions with related tax exempt organizations falling within the meaning of centralized services as described above, are not listed on Schedule R, Part V, Line 2.
