What is the organization's primary exempt purpose?
Remote Medical & Humanitarian Gospel Mission Aviation was founded to support Humanitarian, Medical, Educational, and Evangelistic efforts in the remote and difficult to access areas of the world

Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. In a clear and concise manner, describe the services provided, the number of persons benefited, and other relevant information for each program title

28

Bolivia Highland Ministries In February 2015 Gospel Mission Aviation sent staff and volunteers to investigate the medical needs of remote communities in the Andes mountains and high plateau of western Bolivia. After extensive survey work efforts began in October 2015 to access and serve the most remote of the surveyed areas and communities with free medical attention and treatment. Volunteer medical professionals gained access to these areas two separate times in October and November 2015, through a combination of motorized transport, foot travel and pack animal. An estimated 100 individuals, many of whom live in areas without access by motorized transportation, received free consultation and treatment from US and Bolivian volunteer medical professionals. The opportunities and accomplishments of this program have continued to expand and develop in 2016.
