Social Innovation Fast Pitch SVP's members, experienced in funding for-profit ventures, recognized a gap in Los Angeles's nonprofit landscape - there was no forum for nonprofit entrepreneurs to pitch their ideas to potential supporters SVP's solution the Social Innovation Fast Pitch The program provides two months of training and coaching to nonprofit leaders to help them "tell their story" in a powerful 3-minute pitch, and culminates in a high-energy competition event where 10 finalists pitch to an audience of hundreds of community members and have the opportunity to win cash grants In 2015, SVP changed its calendar for the Social Innovation Fast Pitch, which extended the bulk of the annual program activities to Q1 2016 Therefore, program activity, revenue and expenses were lower than normal for 2015 In Q4, we accepted & reviewed applications, and selected leaders from 20 innovative nonprofits to participate in the program to receive training, feedback and mentoring beginning January 2016 In 2015, SVP partnered with the American Honda Foundation ("AHF") to provide Fast Pitch coaching to a cohort of 10 of their former grantees The goal of program was to give former AHF grantees an opportunity to win small grants by giving a pitch on their organization to Honda associates, in celebration of the Foundation's 30th anniversary By doing so, the program also increased the knowledge and engagement of Honda associates, while recognizing the participating organizations for their work in the fields of STEM & environmental education, literacy and job development Since SVP's program began in 2008, Fast Pitch "alumni" have raised well over \$1,900,000 that they attribute to their Fast Pitch experience In addition, the program has been replicated in various ways by 15 other SVP organizations in the U S and Canada, as well as the Regional Access Project Foundation in the Coachella Valley

Return Reference	Explanation
Part I, Line 2	For multi-year capacity-building grantees, SVP develops annual plans that outline the goals, milestones and timing of capacity-building initiatives that SVP's grant funds and volunteer assistance support. Because SVP works very closely with the leadership team of these grantees, progress against these initiatives is monitored through meetings and interim reports throughout the year, and formally evaluated by SVP's grant committee at the end of the grant period. Progress against the annual plans is a key determinant for refunding. For Encore Fellowships grants, each recipient organization signs a Program Agreement with SVP that outlines the terms of the program, including interim and final survey and reporting requirements. Additionally, the recipient organization and Fellow develop a Statement of Work, which is monitored at key checkpoints aligned with interim reports.
Schedule I, part II, Column (g)	In addition to cash grants, SVP provides significant non-cash assistance to organizations receiving capacity building grants and other 501(c)3 organizations in the form of strategic volunteer assistance. Please see narrative on Form 990 Part III, Statement of Program and Service Accomplishments.
