Proceeds Not Reported to the IRS

2015

02/28/2016

This section of your tax information statement provides proceeds transactions (if a publicly traded security) at a time when the proceeds are not reported to the IRS. For tax lots whose term is undetermined, use your historical basis to establish the cost basis and date of purchase. Tax lots with an additional notation of "Ordinary" refer to long-term capital transactions. You may wish to consult with your tax advisor, the IRS or your state tax authority regarding the proper treatment.

Closing of written options is presented in a distinct manner in accordance with IRS regulation. For those transactions the cost or other basis is always pre-empted as \$0.00 and the proceeds is the net of proceeds received when the option was written and the cost to exercise the option.

Short term column headings describe two related items: a quantity and a qualifier. For example, "Products of Sale" and "The Sale is the result of an option exercise or assignment" (depending on the proceeds are gross or net (adjusted for any option premium)). When these conditions exist, the qualifier is shown to the right of the amount.
