Intended Uses of Endowment Funds	Schedule D, Part V, Line 4 The organization's endowment funds are intended to support program functions and are primarily targeted to fund research grants, scholarships, awards and operations
Liability for Uncertain Tax Position (ASC 740)	Schedule D, Part X, Line 2 The Foundation is exempt from federal income tax under IRC section 501 (c)(3) and is classified as an organization which is not a private foundation under Section 509(a) of the Code, though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. The Foundation has processes presently in place to ensure the maintenance of its tax-exempt status, to identify and report unrelated income, to determine its filing and tax obligations in jurisdictions for which it has nexus, and to identify and evaluate other matters that may be considered tax positions. The tax years ending December 31, 2015, 2014, 2013 and 2012 are still open to audit for both federal and state purposes. The Foundation has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements. The Foundation follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the financial statements if the position is more-likely-than-not to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged. The adoption of ASC 740-10 did not have a material impact on the Foundations financial statements, as management determined that there are no uncertain tax positions within its financial statements. its financial statements
