The Foundation does not engage in extensive fundraising activities but, does have a continuing program to remind the affiliate Church's congregation and other interested parties of opportunities to assist needy individuals and organizations through contributions to the Foundation. Resources are provided to the Foundation through numerous small contributions in the range of \$100 to \$500 and occasional larger contributions and bequests of \$5,000 or more. The fluctuating levels of contributions and the relatively large portion of restricted principal funds means that investment income usually represents a substantial portion of the funds available for grants and loans. Investment income and contributions are subject to considerable fluctuations from year to year depending upon the economic climate and the securities market as well as the number and generosity of contributors. Consequently, calculated "public support" may often be less than 33.3% of total support.
