Return Reference	Explanation
Part X FIN48 Footnote	The Association has received a determination letter from the Internal Revenue Service (IRS) indicating it is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and is subject to federal income tax only on unrelated business income. The Association also qualifies for charitable contribution deduction under sEction 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509 (a)(2). Management is not aware of any transactions which would jeopardize their tax-exempt status. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Association and to recognize a tax liability (or asset) if the Association has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Association and has concluded that as of December 31, 2015 and 2014, there are no uncertain positions taken or expected to be taken that would require recognition of liability (or asset) or disclosure in the financial statements. The Association is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for fiscal years prior to 2012. U.S. state jurisdictions have statutes of limitations that generally range from three to five years. Currently no audits for any tax periods are in progress.
