This survey includes data from the country's largest non-profit long-term care systems. We benchmark our salaries with peer groups our size within the study, utilizing the 50th percentile as our target goal. All compensation for the CEO, officers and other key employees is approved by the board of directors after review of all information. All other employees are benchmarked against state and local association data. No independent board members are compensated in any way.

A management letter, if there are any management comments, is prepared by Baker Tilly and reviewed with the committee. Corrective action is documented if needed. The audit committee is independent of management.
