Bridge to Turkiye manages most projects remotely, by providing supplies to students directly from trusted educational suppliers.

These projects are managed from Bridge to Turkiye's uniquely customized Map4Good, where the classroom/student needs are matched with sponsors' funding.

Bridge to Turkiye also makes grants to previously qualified NGO partners working in advancing underserved childrens' education in Turkey.

All projects are reviewed before a grant is made by the programs team, and projects are monitored for progress and reported back for closure with receipts, pictures and progress report.

Projects reports and visuals are provided to our supporters for transparency and accountability through the organization's web page, social media platforms and newsletters.
