(continued)**Description**

Directors typically are ones with which member of the Board are very familiar and often involved, and which most often have some difficulty receiving similar funding from other sources. Most organizations funded are located in the Central Florida area, though, occasionally, out-of-state organizations receive grants, particularly in the Chicago and Idaho areas, locations where members of the Board of Directors live or have lived. The Foundation's primary giving focus is in the fields of youth activities, education and religion. Occasionally needy organizations in other fields do receive funding, but this would be the exception rather than the rule.
