### Form 990, Part III - 4 Program Service Accomplishments (See the Instructions)

(Code ) (Expenses \$ 2,268,377 including grants of \$ 1,336,859 ) (Revenue \$ 135,400 )

4d Additional Program Services - Education Cross International targeted educational needs in three countries Ecuador, Haiti and Peru Although educational opportunities are technically offered by the governments in many developing countries, the quality of those services is often substandard, and the education is not really free because the schools charge small fees which are too high for poor parents to pay Government-run schools may also require students to purchase supplies and uniforms that many families cannot afford As a result of these costs, dropout rates are enormous To reverse this trend, Cross International partners with Christian schools that focus on meeting the needs of poor children who would otherwise be left behind With Cross support, these schools have provided a quality education at minimal or no cost to the students Cross International's funding also supported a tutoring program that helped needy and at-risk children get the most out of their education

4d Additional Program Services - Water Projects Last year, Cross International funded water projects in four countries Guatemala, Haiti, Nicaragua and Vietnam The effort to provide safe drinking water often involves entire communities and requires complex planning For example, in Nicaragua we funded the construction of two water systems reaching the homes of 66 families The plan also included training local families in sanitary hygiene practices and protecting the water table through the construction of latrines The results of such projects are dramatic Waterborne illnesses decrease and women no longer need to walk long distances to fetch small amounts of water from contaminated rivers By establishing new sources of safe water that can serve communities for years to come, Cross International's projects are saving lives

4d Additional Program Services - Housing In 2015 Cross International supported housing programs in seven countries the Dominican Republic, Guatemala, Haiti, Nicaragua, Uganda, the U S and Vietnam These efforts involved, for example, the selection of 27 impoverished families in rural Guatemala to be provided with sturdy cement-and-stucco houses, reinforced with rebar and topped with waterproof corrugated metal roofs

4d Additional Program Services - Shipping Cross International's shipping program uses monetary donations to transport and distribute donated goods which meet the exempt purpose of providing food, providing clothing, providing medicine, facilitating medical treatment, providing water, facilitating clean water, providing housing, facilitating housing development, facilitating self-help programs, facilitating education programs and/or addressing needs in a disaster relief and recovery situation Through this approach, a donor's contribution can be multiplied ten times or more, as it places goods valued higher than the donation amount into the hands of the poor by the ministries serving them Another benefit of shipping goods rather than sending funds is that Cross can provide crucial medicines and medical supplies that are not locally available physically or financially This support keeps hospitals and clinics stocked with the needed resources so doctors do not have to turn away patients untreated In 2015, Cross shipped goods to churches and ministries in nine countries the Dominican Republic, El Salvador, Guatemala, Haiti, Honduras, Nicaragua, the Philippines, Uganda and the U S

4d Additional Program Services - Disaster Relief In 2015, Cross International helped airlift Emergency Health Kits into Nepal to treat earthquake survivors Each kit is a UN-approved pallet of essential medicines, medical supplies and low-tech medical devices for the treatment of 10,000 people for 90 days The supplies were received by our on-the-ground partner, International Medical Corps, then rushed to affected areas near the quake's epicenter, in the districts of Dhading and Gorkha

4d Additional Program Services - General Support & Other Cross International is uniquely positioned to help overseas ministries with their specific or unexpected needs Cross' targeted responses enable ministry partners to obtain a specific resource quickly and effectively, allowing them to continue their work without disruption

4d Additional Program Services - Mission Education Cross International's overall mission includes educating Christians in the United States about the needs of the poor overseas and highlighting a biblical basis for responding to that poverty This is important to the Organization's goal of developing stronger relationships between the Church in the U S and the Church in the developing world Cross achieved this goal by communicating directly to American Christians through Christian radio The ministry's day-long and two-day radio presentations were made to the public on radio stations throughout the country Along with conventional radio, Cross International also educates through satellite radio, speakers, musical performances, events, over the Internet, mailed materials and other forms of communication

4d Additional Program Services - Project Development In order to ensure the proper use of donated funds and goods, Cross International regularly monitors and meets with overseas partners The Vice President of Missions and a staff of field officers made regular visits to these ministries, reviewing requests for assistance, monitoring the use of previous gifts and providing professional assistance with accounting or project development issues These project development services have helped Cross partners grow more effectively, provide a better outreach to the poor and maintain greater stability in the community
