Return Reference	Explanation
SCHEDULE D, PART X, LINE 2	The Organization is a nonprofit organization and is exempt from federal income tax under Section 501 (c)(3) of the IRC. For the years ended December 31, 2015 and 2014, the Organization had no material unrelated business income. Accordingly, no provision for federal income tax has been made in the accompanying financial statements. The Organization evaluates tax positions taken or expected to be taken in the course of preparing the Organizations tax returns to determine whether the tax positions are more likely than not of being sustained by the applicable tax authority. Tax positions not deemed to meet the more likely than not threshold would be recorded as a tax benefit or expense in the current year. Reconciliation is not provided herein, as the beginning and ending amounts of unrecognized benefits are zero, with no interim additions, reductions, or settlements. However, the conclusions regarding accounting for uncertainty in income taxes will be subject to review and may be adjusted at a later date based on factors including, but not limited to, ongoing analysis of tax laws, regulations, and interpretations thereof. The Organizations informational returns filed in the U.S. federal jurisdiction are generally subject to examination for three years after the later of the due date or date of filing. As a result, the Organization is no longer subject to income tax examinations by tax authorities for years prior to 2012.
