Schedule I, Part I, Line 2 Procedures for monitoring use of grant funds	Scholarship grants made to individuals are paid directly to the scholastic institution of the recipient's choice, or are reimbursed to the individual based on documentation provided in order to ensure the funds are used for their intended purpose. Athlete funding grants are stipends based on qualifying events and potential for success in international competitions. Funds can be used for any purpose deemed appropriate by the individual recipient and therefore no monitoring of the funds is necessary. For grants paid to organizations, USA Gymnastics provides grants to clubs and universities in the men's program to help them continue to develop elite athletes for national team participation and to help strengthen the financial position of the programs. Grants are made based on applications submitted by the programs, and attendance at training camps and national team events is evidence of the continued participation and involvement of the programs and athletes. The organization relies upon the grant recipient to properly use and spend the funds awarded. There is no monitoring of the use of the grant funds.
