Education Rainbow Challenge generally provides services directly for the benefit of the general public on a continuing annual basis.

For example, in 2014 over 300 students in grades 3-5 from 20 elementary schools in HISD participated in individual and team math contests and hands-on science experiments. There were also workshops for the parents.

The mission of Education Rainbow Challenge is to be a catalyst for progress in the education of inner city youths and a venue for corporate funding and volunteers to help the public schools in the Greater Houston area. 100% of the work is done by volunteers.

Our goals are to promote development in mathematics and science in our inner city youths, encourage and reward our teachers, and enable corporate partnership with our public schools.
