Form and Line Reference	Explanation
Schedule H, Part III, Section A, Line 4	Page 10 and 11 of the audited financial statements contains Note 2(f) which describes the significant accounting policies related to Patient Accounts Receivable. The amount reported on Line 2 as bad debt is the actual balance on account written off to bad debt. It is not reduced to cost, since our system does not track what is a gross charge write-off versus what is a patient responsibility write-off after insurance and insurance discounts have been recognized. The hospital does not have a mechanism to reasonably estimate the amount bad debt cost that would reasonably relate to patients who would qualify for financial assistance under the hospital's financial assistance policy, but for whom sufficient information was not obtained to make a determination of their eligibility. However, surely there are significant bad debts that would qualify for charity if the information were known.

Form and Line Reference	Explanation
Schedule H, Part III, Section B, Line 8	100% and more of Line 7 Medicare shortfall should be treated as community benefit. Boulder County has a demonstrated community need for physicians who accept Medicare. (Many physician providers do not.) The hospital not only serves the Medicare population for hospital services, it also employs numerous primary care, internal medicine, pulmonology and cardiology providers who accept Medicare in order to provide our community with adequate coverage. The Cost Report shortfall reported on Line 7 excludes Medicare HMO enrollee shortfalls, excludes shortfalls from ancillary procedures which are paid by fee schedule and are therefore not included in the Cost Report, and excludes the shortfall related to employed physicians serving the Medicare population. The hospital's total Medicare shortfall, including these programs, is actually \$26,858,811.

Form and Line Reference	Explanation
Schedule H, Part III, Section C, Line 9b	The hospital employs financial counselors to assist patients in determining eligibility for Medicaid, Colorado Indigent Care Program (CICP), or the hospital's charity program (WeCare) Financial arrangements with Emergency Room patients are not discussed until the patient has been assessed and treated in accordance with EMTALA The hospital's debt collection policy contains a Communications section addressing courtesy, confidentiality, cultural sensitivity, and primary language of a patient It contains a section on Billing and Collection Practices which addresses when an account will be referred to a licensed collection agency and that those agencies will treat all patients with dignity, compassion and respect, as well as adhering to Colorado State Laws and the Fair Debt Collection Act Patients may apply/reapply for financial assistance before, during or after care, or after collection agency assignment

Form and Line Reference	Explanation
Schedule H, Part VI, Line 2	In 2010, a comprehensive facilities study was performed to evaluate each of the existing hospital campuses and determine the most efficient and effective methods of delivering the safest, highest quality health care. The Planning Committee uses the Community Health Needs Assessment, the Comprehensive Facilities study, as well as market and demographic studies to ensure BCH meets the future health care needs of our community. BCH is in the midst of a 10 year transitional strategy to consolidate health care delivery in order to meet the needs of the community in a safe and sustainable manner. As of October, 2014 all acute care inpatient services have been consolidated at the Foothills campus. BCH is constructing a new facility adjacent to the Foothills hospital to move the Rehabilitation and Behavioral Health services, and is expected to complete this facility in early 2018.

Form and Line Reference	Explanation
Schedule H, Part VI, Line 3	The Hospital employs financial counselors to assist patients in determining eligibility for Medicaid, Colorado Indigent Care Program (CICP), or the Hospitals charity program (WeCare) The hospital employs Spanish speaking financial counselors and would utilize interpreter services for other languages Financial Assistance programs are referenced in patient discharge information, billing statements, and on the hospitals web site
