The contract relates to the collection and disbursement of funds paid by Colorado physicians and physician assistants as part of their biennial license renewal.

The contract with CMB, which expires on September 30, 2019 but can be terminated by either party on 30 days notice, stipulates:

1. The Foundation will collect the payments and maintain a separate bank account.
2. The Foundation will verify to CMB the names of all physician and physician assistant applicants who have paid the fee.
3. The Foundation will distribute the funds *as directed by CMB* to the approved designated provider (currently Colorado Physician Health Program, a separate nonprofit corporation).
4. The Foundation will provide an annual accounting to CMB of all amounts collected, expenses incurred, and amounts distributed.

We believe that the payments received by the Foundation are not "contributions" and the payments by the Foundation to CPHP are not "grants paid". The payments received by the Foundation are a portion of the license renewal fee paid by physicians/physician assistants and are not voluntary, which means they are not contributions. The payments made by the Foundation to CPHP are not grant payments—rather, they are to reimburse CPHP for services performed by CPHP.

IRS regulations allow certain assets to be excluded from the calculation, but the peer assistance funds do not meet any of the specific exceptions outlined in the regulations (Reg. 53.4942(a)-2(c)(2)). The instructions to Form 990-PF specifically state that "assets that are held for the production of income or for investment are not considered to be used directly for charitable functions even though the income from the assets is used for the charitable functions". Accordingly, it appears that the peer assistance funds held by the Foundation meet this definition and should be included on Part X, Line 1b. *However*, a deduction is allowed on line 4 for "cash deemed held for charitable activities". Though this is usually an automatic 1.5% of the average fair value, a foundation is allowed to deduct more "if under the facts and circumstances an amount larger than the deemed amount is necessary to pay expenses and disbursements". We believe it is appropriate to deduct the full amount of peer assistance funds on this line, plus the usual 1.5%, because CMB can instruct the Foundation to disburse the remaining funds at any time.
