Return Reference	Explanation
Additional Supplemental Information	The Wenatchee Valley YMCA provides membership and program scholarships to youth whose parent indicates they are unable to afford the regular fees. Each applicant is required to complete a brief form that must be signed by a parent certifying they are unable to afford the regular fees. When an application is received, the parent is notified that their application has been approved and the amount of assistance they have been awarded. The assistance is in the form of a credit that may be applied to the appropriate program or membership fee upon registration. The number of recipients listed in Part III column (b) is the number of scholarships redeemed and is a duplicated count as recipients may have received multiple scholarships. The total value of scholarships redeemed is listed in Part III column (D). We have listed this value based on the amount credited to the published prices charged, but it should be noted that YMCA youth membership and programs fees do not cover the full cost of youth membership and program services. Therefore, the total cost of services provided by scholarships would be considerably higher.
