Supplemental Information

The Organization receives substantial support from governmental units by way of grants for the benefit of the public. In the past, box 9 has been checked indicating that the Organization qualifies as a public charity receiving more than 33-1/3% of support from the public. Given the Organization's income from government grants, box 7 is a more appropriate reason for public charity status and will be checked beginning in 2014. This is merely a change from one type of publicly supported organization to another and does not constitute a substantial change in activities. Because of this, an IRS Determination Letter has not been requested.
