UBI may also be subject to tax in certain states. Management has assessed the Credit Union's activities and any potential federal or state income tax liability and determined that the Credit Union has no uncertain tax positions that qualify for either recognition or disclosure in the consolidated financial statements. Additionally, no interest or penalties have been recorded in the accompanying consolidated financial statements related to uncertain tax positions. Currently, the 2014, 2013 and 2012 federal income tax returns are open for examination by the IRS. The filing years open for examination by the state, if applicable, may be equal to, greater than or less than the years open for examination by the IRS.
