Return Reference	Explanation
Part X FIN48 Footnote	Accounting Principles, ASC 740-10, Accounting for Uncertainty in Income Taxes - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Foundation to report information regarding its exposure to various tax positions taken by the Foundation. The Foundation has determined whether any tax positions have met the recognition threshold and have measured the Foundation's exposure to those tax positions. Management believes that the Foundation has adequately addressed all relevant tax positions and that there are no unrecorded tax liabilities. Federal and state tax authorities generally have the right to examine and audit the previous three years of tax returns filed. Any interest or penalties assessed to the Foundation are recorded in operating expenses. No interest or penalties from federal or state tax authorities were recorded in the accompanying financial statements.
