Schedule M, Part I, Line 32b - Method of determining revenues - the National Down Syndrome Society (NDSS) requests that all donors of non-cash contributions provide a retail value of their product. If the value is not provided or is considered priceless, NDSS researches the item on the internet and determines a fair price. In most cases, there is a market value available, and in other cases we find a comparable item on Ebay (or another online auction site) to determine the value. Food and beverage donations, as well as gift bag items, are valued per piece. The National Down Syndrome society paid an outside organization to solicit and process items for an auction at our Annual Dinner.
