Part I, Line 2	Per the clients funding policy to be considered for the Helping Hands Fund, the patient's household income should not exceed two hundred percent (200%) of the poverty guidelines. As the Helping Hands Fund is the payer of last resort, all outside funding sources (including, but not limited to, grants, government assistance, private foundations, and patient assistance programs) will be reviewed and utilized before determining Helping Hands Fund eligibility. The Committee will review and vote on eligible applications on a case by case basis. For applications referred by providers, an Urgent Need Request form will be completed by the provider and signed by a Committee member. If the estimated cost is between \$200 and \$299, a Management Team Member's signature is also required. Urgent Need Request equal to or greater than \$300 must be approved by the Committee via email vote before funding can occur. Non Urgent Need Applications will be reviewed at monthly Committee meetings. In addition to the application, further information may be obtained by the Committee to aid with eligibility determination. If the need dictates, the Committee may consider an application prior to the monthly meeting. Applicants requesting relief on CVCH accounts will generally receive a decision and notification by a Committee representative within 60 days of Committee review. In making a determination of eligibility, the Committee may consider whether the patient has negotiated in good faith with the CVCH Billing Department, kept Patient Service appointments, made payments, and/or demonstrated interest in clearing his/her account.
