The Legacy Board oversees a \$10 million Community Health Fund helping to address major community health issues. The majority of the grants are for three years. Return Reference	Explanation
Part I, Line 1a Relevant information in regards to selections on 1a	Some executives belong to business clubs. Any expenses relating to the personal use of the club are paid directly to the club by the executive. Only business related use is paid to the business club or reimbursed to the executive by Legacy. An allocation of personal use of dues is completed annually and added to the compensation of the executive. Legacy does periodically reimburse for some travel of companions. During 2015, some travel expenses for companions of Legacy Board Directors and executives were reimbursed. These transactions follow Legacy's reimbursement policy requiring documentation and approval of the expenses, prior to reimbursement. These payments are taxable to the individuals and are reported on a W-2 for employees or a 1099 for Board Directors.
Part I, Line 5b Explanation of organization compensation based on revenues of related organization	Physicians employed by Legacy affiliates are paid a bonus contingent upon their revenue generated during the year measured by industry standard relative value units (RVU).
Part I, Line 6b Explanation of organization compensation contingent on net earnings from related or	Legacy has an at-risk incentive compensation plan for management. The plan is based on meeting goals related to employee engagement, work processes, customer service, clinical quality, financial management, and certain key strategic tactics. In order to payout any at-risk incentive compensation, Legacy must exceed operating margin targets.
Part I, Line 8 Amounts reported on 990 VII pursuant to initial contract exemption described in Regs	Legacy enters into initial employment agreements with Executives that qualify under the initial contract exception. The Compensation Committee of the Board of Directors, none of whom is a Legacy employee, reviews the compensation for key executive positions. The Committee relies on comparable market data and all decisions are documented.
Part III, Additional Information	Sch J, Part 1, Question 3 Regarding Compensation Practices: Directors for Legacy started receiving compensation for their services in August 2014. The compensation for 2014 was not paid out until February 2015 and is reported in FY2016 to match the 1099 reporting. They also receive expense reimbursements related to their duties. Any expense reimbursements to board members are reviewed by the Director of Tax for determining 1099 tax reporting. In addition to the Board of Directors compensation, during 2015, Dr. Hill received compensation related to his duties as Medical Director as well as for the Medical Staff at Legacy Emanuel Hospital. Dr. Fullman received compensation for medical services provided to Legacy Meridian Park Hospital. There was no other reportable compensation received by any board member during 2015. Executive compensation for Legacy is designed to recruit, retain and motivate qualified senior management personnel. The comprehensive compensation plan is designed for positions that have a significant impact on the high-level strategic and policy direction of Legacy and its affiliates. Base pay and total compensation (including incentive compensation) for similar positions is established at a level comparable to market compensation for healthcare organizations. External consultants are regularly used to review published compensation surveys of comparable organizations and comparable benchmark positions in the market. The Compensation Committee of the Board of Directors, none of whom is a Legacy employee, reviews the compensation for executive positions. The Committee oversees the system's governance procedures with respect to intermediate sanctions legislation and the evaluation of reasonableness of compensation. The Committee reports to the Board in sufficient detail to enable the entire Board to take such actions as are required to obtain the rebuttable presumption of reasonableness. The Compensation Committee also reviews tax-reporting disclosures. Sch J, Part II, Column Breakdown of W-2 or Misc-1099: Column B(i) - Base compensation consists of regular base pay including employee elected deferrals for retirement plans (403(b) and 457(b) plans). Column B(ii) - The incentive compensation program for Legacy is based on predetermined criteria and reviewed and approved by the Board. Bonuses are paid to key employees for interim duties outside their primary responsibilities (e.g. Acting in Capacity). Column B(iii) - Other compensation consists of deferred compensation amounts paid to executives during the current year and were reported on prior form 990 returns. These amounts include arrangements that contain elements of a substantial risk of forfeiture conditioned on continued employment, vesting and/or a noncompete provision upon termination of employment. Distributions from 457(b) plans, reported to the employee on a 1099-R, are also included as other compensation. In addition, imputed income for insurance, cell phone and other benefits is included in other compensation as well as any severance related payments. Column C - Deferred compensation includes the value of defined benefit plans, contributions to defined contribution plans, amounts deferred under the 457(f) plan including earnings, earnings in the 457(b) plan, and the value of the pension restoration plan. Earnings on the 457(f) and 457(b) include gains and losses on the underlying investments. The defined contribution plan is available to all employees as they become qualified to participate. The pension restoration plan provides executive pension benefits in excess of IRS mandated limits on eligible compensation to key executives. The benefits are unfunded and subject to forfeiture. Executive pension benefits are intended to make the executive's retirement benefit, as a proportion of their final average salary, comparable to all other employees, and are treated as income when paid. The Legacy Health Board approved the goals and long-term objectives for the Executive Long Term Incentive Plan effective April 1, 2014 for 3 years ending on March 31, 2017. The plan is discretionary and can be terminated at any time. The purpose of the Plan is to attract and retain highly qualified senior executives, to focus management performance and reward participants for contributing to the accomplishments of Legacy's long-term objectives. The long term strategic goals include the development of a health plan partnership strategy, partner with other local healthcare providers to open a center for behavioral health, expanded use of information technology and data analytics to improve patient care, and executing an urgent care strategy to improve access to care and reduce emergency visits. Targets for operating margins and clinical quality are required over the three year period and all goals are measured at March 31, 2017. Payout is after approval from the Legacy Health Compensation committee and the Legacy Health Board. Column D - Nontaxable benefits include company paid health and welfare and long term care and disability benefits under group plans. Column F - Current year compensation reported as deferred in prior years.

Return Reference	Explanation
Form 990, Part VI, Line 11b Form 990 Review Process	The Legacy Board received a copy of the 990 return prior to filing. At the direction of the entire Board, the Board Compensation Committee reviewed the compensation disclosures and the Board Audit Committee reviewed the 990 return with Management prior to filing.
Form 990, Part VI, Line 12c Explanation of Monitoring and Enforcement of Conflicts	The following is a summary of Legacy's policy and procedures for conflict of interest disclosure, monitoring and resolution. All Legacy employees and non-employees in leadership positions (e.g., Board members, Foundation Trustees, Medical Directors) are required to disclose potential conflicts of interest as the conflict arises. All employees are required to disclose any conflict of interest per the Standard of Conduct policy. Certain groups have annual formal disclosure requirements: Executives and non-employees in leadership positions complete the Conflict Disclosure Statement from the Standards of Conduct policy annually. Officers, Directors, Trustees, Key and Highly Compensated employees are also required to complete a questionnaire covering business relationships, business transactions with interested parties, loans and grants. Conflict Disclosure Statements and questionnaires are returned to Legacy Corporate Compliance or Tax Departments for review of the disclosure. If a conflict is disclosed, or identified through any other means, Legacy Corporate Compliance ensures that management mitigates the risk (e.g., discontinues relationship with vendor, segregates responsibilities, recuses Board member from voting in area of conflict) and that the conflict and mitigation steps are reported to the appropriate level (e.g., Compliance Committee, Audit Committee of the Board).

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Line 15b Compensation Review and Approval Process for Officers and Key Employees	The following describes the compensation practices of Legacy and its affiliates. Executive compensation for Legacy is designed to recruit, retain and motivate qualified senior management personnel. The comprehensive compensation plan is designed for positions that have a significant impact on the high-level strategic and policy direction of Legacy and its affiliates. Base pay and total compensation (including incentive compensation) for similar positions is established at a level comparable to market compensation for healthcare organizations. External consultants are regularly used to review published compensation surveys of comparable organizations and comparable benchmark positions in the market. The Compensation Committee of the Board of Directors, none of whom is a Legacy employee, reviews the compensation for key executive positions. The Committee oversees the system's governance procedures with respect to the evaluation of reasonableness of compensation. The Committee reports to the Board in sufficient detail to enable the entire Board to take such actions as are required to obtain the rebuttable presumption of reasonableness. The Compensation Committee also reviews tax-reporting disclosures.
Form 990, Part VI, Line 19 Other Organization Documents Publicly Available	Legacy Health's audited and interim consolidated financial statements are publicly available on the Electronic Municipal Market Access (EMMA) (www.emma.msrb.org) and DAC Bond (www.dacbond.com) websites. When changes are made to the Legacy Articles or Bylaws, Legacy discloses and attaches copies to the IRS Form 990, which are publicly available by request or on various public websites such as Guidestar (www.guidestar.org). Other governing documents are not available to the public.
