Return Reference	Explanation
Part V, Line 4	The Foundation has donor restricted endowment funds that are restricted to investment in perpetuity and are recorded as permanently restricted net assets. The returns on the donor restricted endowment funds have been restricted by the donor for scholarships and academic program support. The general spending guideline is to support an annual payout of at least four percent from those accounts that have attained their minimum and expected level of donor contributions along with all applicable state, federal and any other matching monies due.
Part X, Line 2	The Foundation identifies and evaluates uncertain tax positions, if any, and recognizes the impact of uncertain tax positions for which there is a less than more-likely-than-not probability of the position being upheld when reviewed by the relevant taxing authority. Such positions are deemed to be unrecognized tax benefits and a corresponding liability is established on the Statement of Financial Position. The Foundation has not recognized a liability for uncertain tax positions. If there were an unrecognized tax benefit, the Foundation would recognize interest accrued related to unrecognized tax benefits in interest expense and penalties in operating expenses. The Foundation's tax years subject to examination by the Internal Revenue Service generally remain open for three years from the date of filing.
