Part 1 Line 2 - The following describes NMPP's monitoring of the use of grant funds.

The Energy Research and Development Fund (ERDF) allows individual NMPP members who contribute to the ERDF fund to apply for grants to help finance their energy-innovative projects.

NMPP members submit grant requests through an application process which is then presented to the ERDF Managing Committee. The ERDF Managing Committee is composed of nine

NMPP members who select the projects to be funded. When a project is selected to be funded by the ERDF Managing Committee, a letter is provided to the recipient documenting the terms

of the grant award including completion of agreed upon deliverables and timeline for completion. NMPP staff follow up periodically by contacting the grantee to determine if the project is

on schedule and progressing in accordance with the documented terms. Grant payments are delivered upon completion of required deliverables and contingencies. Upon completion of

the project, the grantee produces a final report for the Managing Committee and NMPP management.

In accordance with established policy, the compensation for the Executive Director is reviewed and established annually by the Joint Operating Committee which consists

of officers of NMPP and the officers of the other three coalition entities. Position comparability data supplied to them by the Director of Enterprise Business Support is reviewed and used

to establish a pay range for the Executive Director position. The data is taken from independent local and national compensation and industry surveys as well as an independent

compensation consultant. The annual compensation is then selected and approved within the established pay range.

Part I Line 6a

revenues (ie. net income) of the combined net revenues of the NMPP coalition of companies in excess of budgeted net revenues, as approved by the individual Boards of Directors of the

respective companies for the fiscal year. Any bonus paid to the Executive Director is determined annually by officers of NMPP and the officers of the other three coalition entities, for which

the NMPP Executive Director also serves as Executive Director. No payments or accruals were made under the terms of the profit sharing program for the year reported. The program was

suspended indefinitely by the Joint Operating Committee starting with the Fiscal Year ended March 31, 2016.
