Return Reference	Explanation
Part X, Line 2	The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Revenue derived from sources not directly related to its exempt purpose, referred to as "unrelated business income," such as that derived from advertising, may be taxable. The Organization has implemented the accounting guidance for uncertainty in income taxes. Under that guidance, tax positions need to be recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities. As of April 30, 2016, the Organization has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Organization files federal income tax returns. Returns filed in this jurisdiction for the tax years ended on or after April 30, 2013 are subject to examination by the relevant taxing authorities. The Association is not currently being examined and management believes its tax-exempt status would be upheld under examination.
