| Schedule J, Part I, Line 1a | <p>The Presidents employment contract allows for spousal travel. The travel is on a limited basis and typically involves the spouses service as a chaperone on the annual honors students trip to a world capital. The President resides in a University-owned house near the campus as required in her contract. Numerous functions take place at the Presidents home in support of the Universitys mission. Donors, staff, and students are welcomed throughout the year. Given the visibility of and the many events that take place at the Presidents residence, a University employee cleans the home at virtually no extra costs to the University. The availability and approachability of the President is a key element to instilling the sense of community and caring that is central to the Universitys mission. The University pays for the Presidents membership in a local country club and a social club, entirely for business purposes. The value of the Presidents housing is \$18,648 for the year and is included in her Schedule J, Part II, Column (D) compensation.</p> |
