990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 15	An independent committee appointed by the Board of Trustees determines the compensation for the Head of School and other key employees, as necessary. In order to determine proper compensation, the committee first takes into consideration amounts used by comparable establishments. An assessment of the compensation of similar employees of other Montessori Schools, Association Montessori Internationale (AMI) schools, and other independent schools in the area, as well as Montessori Schools throughout the rest of the United States, is conducted, and these amounts ARE taken into consideration. The Committee also considers the employee's performance in determining compensation and benefits. Using these amounts, the Committee suggests an amount of compensation to be awarded to the employee in question and presents this amount, along with an explanation of the reasoning it used to arrive at this number, to the Board for approval. All reasonable and prudent steps are taken to ensure that the process used in determining compensation does not violate any part of MSGH's Conflict of Interest Policy.
