The following procedures are followed when granting aid: Parents start the application process by submitting an application to TADS (Tuition Aid Data Services) which provides an independent opinion of an appropriate need-based award amount to the school. The school's financial aid committee then reviews the application and other relevant documentation, along with the recommendations by TADS, and determines the financial aid amount to be awarded to each student. The Aid is then added to the student's contract which is accessible to the family through infosnap (online contract program) which shows the aid that is applied to the students tuition, reducing the total amount of tuition to be paid for the year.
