Public Information. The USF has reached hundreds of thousands of supporters through issue oriented videos, television and public radio service announcements, a variety of publications, the internet via our website (www.unicefusa.org) and other mobile devices. The various USF communication teams work hard to educate the public about the challenges facing the world's children which is the global mission of UNICEF. This year millions of children joined adult volunteers to support our trademark fundraiser Trick or Treat for UNICEF. Tens of thousands of companies and individuals were informed about UNICEF through the greeting cards program, the TAP project and various special events. Educators using TeachUNICEF resources to increase awareness of the programs and activities of UNICEF. Through the UNICEF Kid Power program, kids are empowered to help other kids by being active, they can help feed hungry children. Every kid who participated in the UNICEF Kid Power Program received a blue band that they wore all the time. The band tracked how many steps these children took through out the day. Those steps earned kid power points used to unlock ready to use therapeutic food to help save children's lives.

UNICEF nutritional projects were implemented that focused on proper nourishment for both children and mothers that included providing Vitamin A supplements to strengthen immune systems and preventing iodine deficiency which can cause brain damage and physical retardation. UNICEF and USF also assisted a number of emergency situations by providing clean water, medical supplies, basic health services, educational and recreational supplies. USF supported UNICEF's Global Polio Eradication Initiative activities by piloting the introduction of oral cholera vaccines in emergency settings, scaling up routine immunization, support for the Countdown to 2015 for Maternal, Newborn and Child Survival, and scaling up community approaches to total sanitation.
