These improvements have included structural repairs and other capital improvements. We have continued the development of a five year facilities needs assessment in conjunction with the school. Development of Green space and parking at the North Star site remains a priority. Significant analysis and research has been completed in order to develop a feasible plan to develop additional green space and parking at North Star. This has included significant land analysis and design work, negotiations with adjacent property owner, and discussions with DPSA, the tenant. Planning is continuing. New Facility development/acquisition work. As DPSA intends to develop a high school program in the Duluth community, Tischer Creek has provided engagement in the process of facility selection and/or development. Tischer Creek engaged the services of a Commercial Real Estate developer to assist in this process. Community Relations. Tischer Creek continues to remain visible in the community as the Affiliated Building Company to DECS/DPSA.
