Our mission is to improve the health of our community by creating access to care and services for those most in need

2

Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?

☐ Yes ☒ No

If "Yes," describe these new services on Schedule O

3

Did the organization cease conducting, or make significant changes in how it conducts, any program services?

☐ Yes ☒ No

If "Yes," describe these changes on Schedule O

4

Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

Community Assistance - Many times, when low-income people are discharged from a hospital stay or emergency room visit, they face barriers that can stand in the way of their recovery. With the Community Assistance Program, we support discharge planners, social workers, and care managers to connect low-income patients to the resources they need for a safe discharge. These resources may include transportation, temporary housing, and medication assistance. Providence Health & Services has been our development partner with this initiative and Kaiser Permanente is also using this resource. The same structure is also being utilized by HealthShare and FamilyCare as a way to support the non-medical needs of their Medicaid members.

4b

(Code) (Expenses \$ 1,199,247 including grants of \$) (Revenue \$)

Outreach, Enrollment and Access - For those who qualify, obtaining and using insurance coverage is a critical element of a sustainable health care system. This program provides outreach and enrollment around Medicaid, Qualified Health Plans, and other coverage programs available in our community. Enrolling in coverage is daunting to most people. It is nearly impossible for those most in need. Enrollment is not enough. In order to assure people can actually use the coverage they have, staff provides health literacy and navigation services. This program also provides premium assistance to people who qualify for tax credits through the Marketplace. Many families are right on the line in terms of income qualification for Medicaid. If they make \$10 more than allowed they have access to the Marketplace. However, the premiums, co-pays, and co-insurance costs are not affordable for this population. We are able to pay premiums and arrange for co-pays, co-insurance and deductibles to be written off in many cases. Ideally, we are able to keep people connected to coverage and care as they go through the inevitable "churn" of qualifying for and then not qualifying Medicaid.

4c

(Code) (Expenses \$ 907,665 including grants of \$) (Revenue \$ 2,100)

Pathways - The Pathways Community HUB is a national model that focuses on finding those in need, supporting their successful connection to care and services, then measuring the results of those efforts. Successful implementation of this approach means that people receive the care and services they need to be healthy in a way that is trauma-informed, culturally-specific, effective, and efficient. This approach has demonstrated improved health outcomes and reduced costs. We are implementing this model in partnership with social service and health care entities across the metro region. This networked approach allows us to address the social determinants of health in coordination with the health care delivery system.

In general, the federal and state information returns have a three year statute of limitations. Should that status be challenged in the future, the Organization's 2014, 2013 and 2012 tax years are open for examination by the Internal Revenue Service. 990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part III, Line 4d Other Program Services Description	OTHER PROGRAM SERVICES 4 Outreach, Enrollment and Access - For those who qualify, obtaining and using insurance coverage is a critical element of a sustainable health care system. This program provides outreach and enrollment around Medicaid, Qualified Health Plans, and other coverage programs available in our community. Enrolling in coverage is daunting to most people. It is nearly impossible for those most in need. Enrollment is not enough. In order to assure people can actually use the coverage they have, staff provides health literacy and navigation services. This program also provides premium assistance to people who qualify for tax credits through the Marketplace. Many families are right on the line in terms of income qualification for Medicaid. If they make \$10 more than allowed they have access to the Marketplace. However, the premiums, co-pays, and co-insurance costs are not affordable for this population. We are able to pay premiums and arrange for co-pays, co-insurance and deductibles to be written off in many cases. Ideally, we are able to keep people connected to coverage and care as they go through the inevitable "churn" of qualifying for and then not qualifying Medicaid.
