Schedule H Part VI	
Schedule H Part I	In advancement of its charitable mission, Devereux accepts clients with limited or no ability to pay for services. A client is classified as a charity client based on established written policies. Charity services are defined as those for which no payment is anticipated. In assessing a client's ability to pay, Devereux uses federal poverty income levels, but also includes cases where incurred charges are significant relative to income. Under certain governmental reimbursement programs, Devereux has been paid an amount less than actual costs due to agency budgeting constraints or other factors. The economic loss attributable to such programs is also reported as charity care. Charity care amounts are not included in net client revenue or accounts receivable. The amount of charges forgone, based on established rates, for services provided to clients that qualify for charity care and the economic shortfall attributable to unreimbursed costs of certain programs for all Devereux locations aggregated \$11,092,000 and \$9,586,000 in 2016 and 2015, respectively.

The Board is advised of the changes and given an opportunity for final review. Additionally, the CFO reviews any important issues regarding the Form 990 at a designated Board meeting, with follow up as necessary after the meeting, and solicits additional Board comments and questions. After this review process, the CFO signs the Form 990 and submits it to the IRS.

Form 990 Part VI Section B Line 12c	Representatives of Devereux dealing with clients, parents, guardians, vendors, competitors or anyone who does or seeks to do business with Devereux are required to act in Devereux's best interests, disregarding any personal preference or advantage. Representatives shall make prompt and full disclosure to his/her manager and to the Internal Audit Department (and, in the case of Trustees and senior managers, to the Board's Audit and Compliance Committee) via the Devereux Conflict of Interest form of any prospective or actual situation that involves, may involve, or might appear to involve a conflict of interest. Members of the same family or living within the same domicile may be employed by Devereux in the same center or department unless the center Director or department head determines such employment is not in Devereux's best interest. Relatives of senior management or trustees, as well as those working in Human Resources, Payroll, and Internal Audit, shall not be hired by Devereux in any capacity unless approved in advance by the President/CEO. Each Devereux employee has the responsibility to report any actual or perceived conflicts of interest to management, Human Resources, the Vice President of Audit & Compliance or the Employee Helpline. The Helpline is an anonymous "whistleblower service", where complaints are processed by an independent third party retained by Devereux for this purpose and subsequently referred to the Vice President of Compliance. Annually, a copy of Devereux's business ethics policy is mailed or e-mailed to trustees, officers, directors and key personnel along with the annual Conflict of Interest Disclosure Statement, which must be signed and returned to the Director of Internal Audit within 30 days. The annual disclosure requires an acknowledgement of understanding Devereux's business ethics policy, as well as disclosure of any conflict, or appearance of a conflict, between personal interests and the interests of Devereux. Failure to comply or falsification of disclosure may result in disciplinary action, including possible dismissal. Newly-hired employees in the categories identified above are given this policy on the first day of their employment and are required to complete the annual Conflict of Interest Disclosure Statement immediately. All employees disclosing a conflict or potential conflict must have the Disclosure Statement reviewed and signed by the Executive Director at their location (President/CEO for Corporate staff) prior to sending it to Audit Services. All Annual Conflict of Interest Disclosure Statements identifying a conflict or potential conflict are reviewed by the Vice President of Audit & Compliance and any other officers or senior management determined to be appropriate, and submitted to the Audit & Compliance Committee of the Board of Trustees for review. No Disclosure Statement may be reviewed by the person submitting it or by a person directly supervised by the person submitting the report.

Form 990 Part VI Section B Line 15b	Devereux review s officersExecutive Directors' salaries against the market on an annual basis in connection w ith the July meeting of the Executive Committee of the Devereux Board of Trustees, wh ich serves as the Board's Compensation Committee. However, review s may occur at other times to respond to changes in the market. During this benchmarking process, the Vice President of Human Resources conducts a review of salaries for benchmark positions for wh ich there is sufficient market survey data. Additionally, Form 990s of other comparable organizations are also review ed. The results of these review s are compared against all Executive Directorsofficers' salaries. The review is intended to make Devereux's compensation both reasonable and competitive. The Vice President of Human Resources will make recommendations for adjustments, if necessary. Devereux's market for this salary review is primarily focused on similarly sized organizations (budget, number of employees, revenue) in the behavioral health industry and structure (system vs single entities). However, industry-wide health care and general industry data as provided by the U S Department of Labor or other sources as well as residential and educational surveys that become available or that Devereux may conduct may also be factored into the review. The results of the review conducted are typically validated by an outside compensation consultant at least every 2 years.
