CORE FORM, PART III, STATEMENT OF PROGRAM SERVICE ACCOMPLISHMENTS	The Village Improvement Association of Doylestown ("VIA") was founded in 1895 with the health and beauty of the community as its primary concerns. One of the earliest health-centered efforts was to reduce unhealthy dust from Doylestown's streets. This passion for community health evolved into the establishment of the first visiting nurse service ("VNS") in 1916 and its opening of Doylestown Hospital in 1923. It persists to this day in continuing its commitment to assisting members of the community with particular needs. In 1986, a corporate restructuring established Doylestown Hospital as a subsidiary corporation of the newly created Doylestown Health Foundation ("DHF"), both ultimately governed by members of the Village Improvement Association of Doylestown. At the same time, VIA Affiliates, also a subsidiary of DHF and governed by the VIA, now doing business as Doylestown Health Physicians, was formed. In 2015, DHF added Doylestown Health ("DH") as a registered name so that DHF acts on health system governance as DH, and on fundraising as DHF. These corporate changes facilitated each corporation focusing more precisely and efficiently on its mission. Under the VIA's governance, Doylestown Hospital has become an integrated provider of care, delivering not only hospital care, but owning and operating the Pine Run Community comprising a skilled nursing facility, personal care facilities, and independent living residences, continuing to operate the VNS, providing hospice care and adding other community based services including - Health Connections by Doylestown Hospital (healthcare concierge services at the Warminster ShopRite), - Children's Village (early childhood education program on the hospital campus for Associates and community families), and - CB Cares, in partnership with the Central Bucks School District (provides various health education programs). In accordance with the guiding principles, and under the governance, of the VIA, DH is expanding its programs beyond episodic care to include a continuum of community health, and a system of coordinated care, from birth to end-of-life. DH partners with over 425 physicians on its medical staff to establish a clinically and financially integrated network of care known as The Doylestown Healthcare Partnership, LLC ("DHP"). DHP is owned and GOVERNED equally by DH and the owner-physicians. DH, in accordance with the long tradition, and under the governance, of the VIA, anticipates providing enhanced and expanded services, achieving greater accomplishments and a healthier community in the future. In addition to its commitment to the delivery of health-related services, the VIA has several programs to improve the health and welfare of the community. Through the Welfare Committee, the VIA provides support to those in need including food, clothing, housing, utilities, medications and other essentials such as car seats for infants born at the hospital. Through a rigorous vetting process, the VIA awards educational scholarships for exceptional high school seniors to help them pursue health-related careers. Other scholarships are given to women in need to pursue an education that will enable them to better both their lives and the lives of their families. The organization also provides funds for several high school students to attend a national leadership-training course. One-time grants are also given for community betterment projects such as a sensory trail in a local park and handicap access equipment to a local YMCA pool. Several VIA members who served in military are very active in the Veterans committee. The committee meets with local military groups to select critical projects, which they then work to fund. Another VIA committee spends time with residents of its Pine Run Nursing Home to provide a personal connection to individuals whose family are no longer with them. The VIA was bequeathed the James-Lorah Memorial Home in Doylestown in 1954 by one of the members of the organization. Listed on the National Register of Historic Places, this house-museum connects with many notable historic figures in the area and once served as a physicians office. The residence is opened for tours to allow the community to see a home preserved in the Victorian-era. The home also serves as the organizations headquarters. Several VIA members, together with the JLMH Committee, are responsible for the upkeep and preservation of this historic home. To fund many of these charitable works, almost one-third of the VIA commits major time and effort to the Bucks County Designer House & Gardens, a year-long effort involving thousands of hours of work which raises funds for both Doylestown Health and a number of the VIA's programs to assist people in need and to better the community. Hundreds of additional community residents also volunteer their time to support this cause.
