FORM 990 PART IV LINE 11F	The Foundation is exempt from federal income taxes under Section 501(c)(3) of the United States Internal Revenue Code. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the organization and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. Management has analyzed the tax positions taken by the organization, and has concluded that as of June 30, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The organization is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to June 30, 2013.

Based on the approved policy, the Coordinator of Special Events and Scholarships reviews the fund balances and determines the amounts available to be provided to the College for scholarships. A Foundation Financial Aid Award Authorization which lists the individual scholarship funding the disbursements, the eligibility criteria for the scholarships, and the award amounts is then approved by the Director of Foundation. Scholarship awards are placed in the student's financial aid account by Financial Aid and award amounts are charged directly back to the individual Foundation accounts. Scholarship award amounts are determined based on the spending policy which is approved by the Board of Governors in March each year. Individual award amounts are determined based on the funds balance/principal balance and approved by the executive director. This information is given to the financial aid office in spreadsheet format. Financial Aid determines the award recipients based on the criteria for each fund.
