Our EDP programs extend the learning day to ensure students can transition to middle school with the English language, literacy, and academic skills necessary to excel. The program consists of five core components: academic enrichment and guided reading interventions, project-based electives that incorporate literacy-building opportunities throughout each cycle, sports and recreation, community-building activities that foster group cohesion, build social skills, and model resiliency, and our early college awareness curriculum that aims to prepare and motivate children to plan for college.

In 2014, Mission Graduates was awarded the contract to once again serve the middle school aged youth of the Mission through a comprehensive hub of services at Everett. The MCB serves over 600 youth and families, and expands the learning day beyond the school day, not only providing individualized academic interventions with credentialed teachers, but also an environment where future leaders can take ownership of their education, develop skills necessary to be successful, and begin working towards their goals of graduation and higher education.

College Connect (CC) CC is a family-based college access and success program that launched in Spring 2008. CC annually recruits (25) 4-year college-bound high school juniors living, or attending school, in the Mission and Excelsior Districts of San Francisco who are the first generation to attend college. CC participants and their families receive support with ACT preparation, Math and English Tutoring, personal statement and scholarship application coaching, obtaining financial assistance, choosing the best college that meets their personal and academic needs, and making a successful transition to college, with support through graduation. Currently, CC has 178 participants spread across nine cohorts, 19 are alumni, 107 are college students, and 52 are high school juniors and seniors. 88% of the college students who have participated in the program are still persisting in college or have received their college degree, almost four times the state average of 23%. We have had great success in ensuring that finances are not a barrier to a college. Our 126 college students and alumni raised over \$3 million in college scholarship, as well as applying for all federal, state, and school financial aid. John O'Connell College and Career Center (JOCCC) Mission Graduates newest program, The JOCCC is offshoot of the CC program and is an innovative partnership with John O'Connell High School, traditionally considered a vocational school, where our staff are embedded with teachers in the classroom. Being in the classroom during the school day allows staff to work with nearly 425 students every day, using the context of their relationship to discuss career and higher education aspirations. This model provides for a more integrated and holistic approach to assisting students with their future goals, as opposed to a separate college and career office that few students utilize. Our first year at O'Connell was a monumental success, with 98% of UC/CSU eligible students submitting college applications, a 55% increase from last school year, the highest number the school has ever experienced. In addition, 86% of the senior class completed the Free Application for Federal Student Aid or the Dream Act Application, demonstrating the commitment of the majority of seniors to attend some form of higher education.
