Part IV, Section D, Line 3	The Executive Director and General Manager of Finance and Administration of the Association for Iron and Steel Technology have the same duties for AIST Foundation. They have significant input and direction into the investment policy and use of AIST Foundation's income and assets.
Part IV, Section E, Line 2a	Substantially of the Foundation's activities involve the awarding of scholarships, internships, and grants to students and universities. These activities help to further the Association for Iron and Steel Technology's purpose "To advance the technical development, production, processing, and application of iron and steel."
Part IV, Section E, Line 2b	If the Foundation did not engage in the awarding of scholarships, internships, and grants to ensure the iron and steel industry of tomorrow will have a sufficient number of qualified professionals, the Association for Iron and Steel Technology would need to engage in this activity on its own, to ensure that there are qualified professionals to advance the technical development, production, processing, and application of iron and steel.
