Schedule D, Part V, Line 4 Intended uses of endowment funds	For almost 400 years, the Daughters of Charity have lived in service to help the sick and the poor. In partnership with others, they have met the challenges and needs of our growing community since the Seton Infirmary opened its doors in 1902. To continue to sustain this legacy, Seton Hays Foundation created endowment funds to support the healthcare ministry of Seton Family of Hospitals. The principal of an endowment is never touched. The distributions from an endowment provide a dependable source of income each year to help Seton to continue to meet the community's healthcare needs.

Schedule I, Part I, Line 2 Procedures for monitoring use of grant funds	The Seton Healthy Communities Fund Committee is responsible for the administration of grant funds. The Committee includes employees as well as executives and is charged with reviewing requests from other organizations and determining whether they meet the Network's charitable request guidelines. The requesting organizations submit letters specifying the amount of contribution requested and details of its program. Each entity must provide its IRS 501(c)(3) determination letter (as evidence of tax-exempt status), a history of its use of funds, a list of other funding sources, and a list of Board of Directors. Requestors also are asked to identify the Organization's purpose, the activities that reflect consistency with its stated purpose and provide a description as to how funds will be used. Generally, a successful requesting organization will spend at least 60 percent of its annual expenses on program activities, ensure that fundraising expenses are reasonable over time and will not have a persistent deficit in net current assets. In awarding funds, the Grants Committee looks for organizations that: - Have a mission aligned with Seton's mission, vision and values (e.g., improving the health of those we serve, particularly the poor and vulnerable); - Can demonstrate that the event or activity will enhance access to health-related services and human service needs, improve health outcomes, provide health-related education, information and support, and/or other sustainable impact; - Provide outreach in Seton's service area, support a diverse population, support workforce development and/or help sustain a relationship with a potential or existing Seton stakeholder. Generally, the committee, pursuant to its policies and procedures, confirms prior to any award that grantees are organizations whose headquarters and work are based in Central Texas, or the work for which we granted them a sponsorship is in Central Texas, and post-award we generally receive confirmation of how the funds were used.

Form 990, Part VI, Line 12c Conflict of interest policy	The organization has adopted the conflict of interest policy of Ascension Texas. The Corporate Responsibility Officer's (CRO) delegate will prepare a summary of the Conflict of Interest disclosure statements and submit it to the CRO for review. The CRO will submit a written report to the applicable board or board committee on the results. Procedures for addressing the Conflict of Interest: 1) An individual with a Conflict of Interest may make a presentation at the meeting of the Board of Trustees or Committee of the Board, but after such presentation, he or she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement that results in the Conflict of Interest. 2) If deemed appropriate or advisable, the Chair of the Board or Committee of the Board, as the case may be, may appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement. 3) After exercising due diligence, the Board of Trustees or Committee of the Board shall determine whether the Corporation can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a Conflict of Interest. 4) If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a Conflict of Interest, the Board of Trustees or committee of the Board shall determine by a majority vote of the disinterested directors or members, as the case may be, whether the transaction or arrangement is in the Corporation's best interest and for its own benefit, and whether the transaction is fair and reasonable to the Corporation, and thereafter, the Board of Trustees or Committee of the Board shall decide whether to enter into the proposed transaction or arrangement in conformity with such determinations.
