Form 990, Part VI, Section B, Line 15	CEO PERFORMANCE REVIEWS Once a year, the Executive Committee meets with the Executive Director for his/her annual performance review and evaluation. In preparation for this review, the Executive Committee, with the participation of the Director of Finance & Administration, conducts evaluative research into comparative and equitable compensation of the Executive Director (including alignment with internal historical compensation trends) based upon others in a similar position and in relation to organization size and geographical location--while ensuring the organizational standard of equitable pay to not be in the highest percentile of comparable position pay. At such time, the Executive Committee reviews performance, offers suggestions on improvements, and negotiates salary adjustments based upon prepared research. Complete records are kept on the performance evaluation and the discussions at the review. There are no conflicts of interests among the Executive Committee and the Executive Director. The last time a performance evaluation was conducted for the Executive Director was August 2013. ***KEY EMPLOYEE PERFORMANCE REVIEWS Similar is performed with key employees, where Quarterly Performance Reviews are conducted between the employee and the Executive Director, and an Annual Performance Evaluation, including compensation review, of each key employee is initially reviewed and discussed between the Executive Director and the Personnel Committee, and then conducted between the employee and the Executive Director. Compensation is determined based upon a number of factors, including but not limited to performance, value to the organization, and research of non-profit compensation surveys with regards to comparable position, job duties, organizational size, and geographical location. The last Annual Evaluation, including compensation review, of key employees was conducted July 2013. The last Quarterly Review of key employees was conducted April 2014. ***OTHER EMPLOYEE PERFORMANCE REVIEWS Similarly, for non-key and non-executive employees, Performance Evaluations are conducted by the employee's immediate supervisor on a quarterly basis (including an Annual Performance Evaluation) and reviewed annually by the Personnel Committee. As with executive and key employees, compensation is determined based upon a number of factors, including but not limited to performance, value to the organization, and research of non-profit compensation surveys with regards to comparable position, job duties, organizational size, and geographical location. The last Annual Performance Evaluations were conducted July 2013, and Quarterly Reviews in April 2014. ***MISC For all employees (executive, key, and others), if personnel issues occur throughout the year, the issue is discussed between any and all persons involved, the Executive Director, HR and/or the immediate supervisor, and either or both the HR Committee and the Executive Committee. Probationary or terminal decisions are always made with the consensus of the immediate supervisor (if applicable), the Executive Director, and either or both the HR Committee and Executive Committee.
