Form and Line Reference	Explanation
FACTORS OTHER THAN FPG IN DETERMINING ELIGIBILITY	The organization provides medically necessary care to all patients, regardless of race, color, creed, ethnic origin, gender, disability or economic status. The hospital uses a percentage of federal poverty level (FPL) to determine free and discounted care. At a minimum, patients with income less than or equal to 200% of the FPL, which may be adjusted for cost of living utilizing the local wage index compared to the national wage index, will be eligible for 100% charity care write off of charges for services that have been provided to them. Also, at a minimum, patients with incomes above 200% of the FPL but not exceeding 400% of the FPL, subject to adjustments for cost of living utilizing the local wage index compared to national wage index, will receive a discount on the services provided to them.

Schedule H, Part II COMMUNITY BUILDING ACTIVITIES	Research shows that social determinants and quality of life play a major role in the health status of individuals and communities. Community building activities, which focus on improving the quality of life within a community, ultimately influence and improve health status. Crooked Creek Neighborhood Partnerships The neighborhood surrounding the St. Vincent Hospital and Health Care Center campus, Crooked Creek is one of the largest culturally and economically diverse neighborhoods in the city of Indianapolis. St. Vincent Hospital and Health Care Center was instrumental in founding the Crooked Creek Community Development Corporation (CDC) whose mission is to improve housing, public infrastructure, and commercial areas for all who live, work, and visit the northwest Indianapolis community. Hope for the Holidays Each year, St. Vincent associates reach into their own pockets to purchase Christmas gift items for families in need. During their work time, department associates contact families, create needs list, collect donations, shop for items, wrap gifts and deliver food and packages to these families. In FY16 St. Vincent sponsored 79 households and touched the lives of 219 individuals. Poverty Experience The St. Vincent Poverty Experience is a half-day simulation designed to help participants understand what it would be like to be a part of a typical poor and vulnerable family trying to survive from week-to-week. The simulation sensitizes participants to the realities of life faced by those unable to provide adequate resources for their families. During the experience, 40-60 participants assume the roles of up to 26 different families living in poverty, with a goal of seeking out and managing available resources to ensure basis. Services for each family member. St. Vincent conducts the poverty experience for a wide-variety of community and government organizations, including schools, city, county and state entities and non-profits. As part of St Vincent Health, the St Vincent Hospital and Health Care Center vision is to deliver a continuum of holistic, high-quality health services and improve the lives and health of Indiana individuals and communities, with special attention to the poor and vulnerable. This is accomplished through strong partnerships with businesses, community organizations, local, state and federal government, physicians, St Vincent Hospital and Health Care Center associates and others. Working with its partners, and utilizing the CHNA completed every three years, St Vincent Hospital and Health Care Center is committed to addressing community health needs and developing and executing an implementation strategy to meet identified needs to improve health outcomes within the community. Community benefit is not the work of a single department or group within St Vincent Hospital and Health Care Center, but is part of the St Vincent mission and cultural fabric. The hospital leadership team provides direction and resources in developing and executing the Implementation Strategy in conjunction with the St Vincent Health Community Development & Health Improvement Department, but associates at all levels of the organization contribute to community health improvement.

Methodology used to calculate financial assistance	The cost of providing charity care, means tested government programs, and community benefit programs is estimated using internal cost data, and is calculated in compliance with Catholic Health Association ("CHA") guidelines. The organization uses a cost accounting system that addresses all patient segments (for example, inpatient, outpatient, emergency room, private insurance, Medicaid, Medicare, uninsured, or self pay). The best available data was used to calculate the amounts reported in the table. For the information in the table, a cost-to-charge ratio was calculated and applied.

expense - methodology used to estimate amount	After satisfaction of amounts due from insurance and reasonable efforts to collect from the patient have been exhausted, the Corporation follows established guidelines for placing certain past-due patient balances within collection agencies, subject to the terms of certain restrictions on collection efforts as determined by Ascension Health Accounts receivable are written off after collection efforts have been followed in accordance with the Corporation's policies After applying the cost-to-charge ratio, the share of the bad debt expense in fiscal year 2016 was \$43,853,485 at charges, (\$12,286,627 at cost)

Form and Line Reference	Explanation
Expense Methodology	The provision for doubtful accounts is based upon management's assessment of expected net collections considering historical experience, economic conditions, trends in healthcare coverage, and other collection indicators. Periodically throughout the year, management assesses the adequacy of the allowance for doubtful accounts based upon historical write-off experience by payor category, including those amounts not covered by insurance. The results of this review are then used to make any modifications to the provision for doubtful accounts to establish an appropriate allowance for doubtful accounts.
