Return Reference	Explanation
Schedule D, Part III, Line 1a Collections of art - financial statement footnote	The College follows a policy not to record or capitalize its collections of works of art, historical treasures and similar assets

Part XIII Supplemental Information (continued)

Return Reference	Explanation
Schedule D, Part V, Line 4 Intended uses of endowment funds	The College's endowment funds consist of donor-restricted endowment funds and funds designated by the board of directors to function as endowments, which are both held within the MEA growth pool, as well as funds held by others and irrevocable trusts for the benefit of the college. The purpose of the endowment funds is to facilitate donors' desires to support college programs over the long run. In doing so, the endowment fund will provide a secure, long-term source of funds to (i) ensure long-term growth, (ii) provide for intergenerational equity, (iii) provide a permanent resource for scholarship funding for students, and (iv) support the administrative expenses of the college as deemed appropriate.
Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	The Internal Revenue Service has determined that the College is a tax exempt, not-for-profit organization as defined in Section 501(c)(3) of the Internal Revenue Code ("IRC"). As such, the College is generally not subject to federal or state income taxes except for certain income derived from unrelated business activities as defined by the IRC. Any such taxes resulting from unrelated business activities are insignificant to the operations of the College. U.S. GAAP prescribes recognition thresholds and measurement attributes for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. Tax benefits will be recognized only if the tax position is more-likely-than-not sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized will be the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax benefit will be recorded. Management has concluded that they are unaware of any tax benefits or liabilities to be recognized at June 30, 2016 and 2015. The College does not expect the total amount of unrecognized tax benefits to significantly change in the next 12 months. The College would recognize interest and penalties related to unrecognized tax benefits in interest and income tax expense, respectively. The College has no amounts accrued for interest or penalties as of June 30, 2016 and 2015.
