Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	The College and the Foundation have received favorable determination letters from the Internal Revenue Service stating they are exempt from Federal income taxes on related income under Section 501(a) as entities described in Section 501(c)(3) of the Internal Revenue Code. The Organization follows guidance issued by the Financial Accounting Standards Board ("FASB") with respect to accounting for uncertainty in income taxes. A tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded. The Organization recognizes interest and penalties related to unrecognized tax benefits in interest and income tax expense, respectively. The Organization has no amounts accrued for interest or penalties as of June 30, 2016 and 2015. Due to their tax-exempt status, the College and Foundation are not subject to U.S. federal or state income tax. The Organization is no longer subject to examination by U.S. federal or state taxing authorities for years before June 30, 2013. The Organization does not expect the total amount of unrecognized tax benefits to significantly change in the next 12 months.

Form 990, Part VI, Line 15a Process to establish compensation of top management official	For fiscal year 6/30/16 the Compensation Committee compared the compensation for "Disqualified Persons" to that of the "Peer Group" established for the year end 6/30/15. Noting that the compensation for the Disqualified Persons was reasonable. For fiscal year ended 6/30/2015 the Board of Regents of the American College of Chest Physicians (College) engaged an Independent Compensation Consultant to provide consulting advice and market comparability data about the organization's top management, which includes the top management official and all key employees. The independent compensation consultant first determined that the Compensation Committee for the College was independent and free from conflicts of interest. The second step determined the "disqualified persons" and the methodology used to assess reasonableness. This assessment was conducted at the total rewards level and included all compensation components. Westcott Hunter, Inc. obtained external valid comparable market data from published sources for comparable positions, and established a Form 990 peer group of comparable organizations. The third step consisted of reviewing the disqualified individuals and market data, considering management's recommendations for salary increases and incentive awards, then finalizing and approving salary increase and incentive awards for all "disqualified persons". The review process is documented in the compensation committee's minutes.

Based on the data collected a proposal was made to the the College's board with the related "proposed paid" board positions recusing themselves from the meeting and vote. The board passed the current honorarium structure and reviews the compensation structure on an annual basis. The review process is documented in the compensation committee's minutes.
